what you

;))

Ciao, my little lambchop! **BLISS** is delighted to be back! We are on date number five and we couldn't feel more grateful! We are truly delighted to have you come along for the ride.

Now, what a week it has been! We have lots to fill you in on...but in case we haven't been introduced yet...think of me as a little macaroon beside a warm cup of coffee, oh minus the calories LOL. Yes, that dreaded C word is not something we chat about here. Think of me as your little cup of hot chocolate on a cold winter's day. And if you happen to be on vacation somewhere hot, think of me as that ahhhhh to snuggle up to as you slap on the sun block, pop on the shades and slide into your sun lounge for an afternoon of indulgence!

A little more about me? Well, Miss Pure Positivity! Not like those Elle types. LOL. Yip, we are 16-page light and 100% heart-felt joy, beauty, and comedy. We love authenticity and quirkiness. And we never talk about things like how to banish those fine lines (and the treatments that go along with that lark). Nope, not on our watch. We are all about filling up the happy tank!

And each week, we LOVE to do something new. This week is all about ROUGE. Yes, red and a shade we are obsessed with here as if you hadn't guessed LOL. We hope you love this BLISS as much as we do!

And to our resident celebs! **Dear Coco**, the advice queen is on a mission to "happify" the world. And garden sheds! LOL. Pop to Dear Coco to find out how. And **Lana Leigh**, (our own Netflix style comedy mini series, **LEMON, LOVE**). if you didn't know, we hear she has just landed in Naples and almost made front page headlines. Oh, make sure to catch up on Episodes 1-4 on previous dates. We cannot wait to find out what happens. Knowing Lana, it won't just be the gelato that is melting.

Buckle up tightly, my little noodle. I'm off to josh things up for date night six! Wow, time sure flies when you love life!

In this launch issue

Along with weekly appearances from **Dear Coco**, and Lana at **Lemon, Love**, (the new 'Emily in Positano' mini series), we have included a celebration, today of RED. Yes, in case you hadn't noticed, we love the passion it oozes. We hope you love it too! Ciao X.

DELIGHT & DELISH

One of the things I love doing on my solo travels is pop into a cafe or wine bar and sample local drinks...

Safud!

Method:

Muddle the lime, sugar and mint leaves with the back of a wooden spoon in a small jug. Crush the strawberries and add to the jug. Mix well. Pour into a glass and add the ice and white rum. Stir well with a tall spoon. Top the glass with some sparkling water to taste and garnish with a sprig of fresh mint.

PS for a nice touch, place sliced strawberries in an ice cube tray and top up with lemonade. Freeze. Add to the mojito when ready to drink.

Recipe!**

Dear Coco,

My husband has been spending a lot of time in his garden shed. I don't even see him at the weekends, he is usually in there dawn to dusk. Can you help, I don't know why I married him!
Betty, Boston

Ciao, my little noodle!

Now, a man's garden shed is just like his 'empty box', that imaginary room in his brain where he goes for peace. And with all this life lark to contend with, he is a wise man! You see, he has his beer holder, his heater and his lawnmower to chat to. Oh, and maybe a Baywatch calendar hiding under his pruning gloves. To him (and all men), that is bliss! Now, you have 3 choices...1. build your own lady shed and fill with a well stocked mini bar and DJ booth. 2. Sell his lawnmover on EBay, dismantle his shed, and expect a divorce. 3. Make peace he is happy, knowing he does love you, and go buy a Channing Tatum calendar for the kitchen!

Episode Five

Arrivals Hall, sunny Naples, Italy...

Now that 'front page headlines near miss' is but a faint memory, an incessantly smiling Lana can't help but notice the ever-increasing Italian eye candy abound. Heading into Arrivals Hall, she glances flirtaciously at the drivers. Sweet gnocchi-noo, siiiii, whispers Lana as she spots an Italian God and his 'MISS LANA' sign held tightly to his tanned chest. You can hold me anytime, amore, quips Lana as she straightens her dress and discreetly tops up her lip gloss. Walking confidently over to meet him, Lana is paused mid stride by a vertically and follically challenged 90-year-old...Miss Lana? Yes. Bellissima, as he takes Lana's suitcase and hand quicker than she can say tagliatelle. A flustered Lana sighs noticing Italian God is holding 'MISS ANNA' in his paws, figuratively and literally as sweet Nona Anna has clearly hit the jackpot. Nooo! WTF, mutters Lana to herself! Why me, cupcake karma?! A half hour passes, and hotel check in. A deflated Lana arrives at her room, an opulent top floor suite and equally opulent views. At least something to celebrate!!! Thank you, Italian Gods. Now, LUCK must be around the next corner, she jests. Little does she know just how much...suddenly a WhatsApp...Gianni...

A woman with long brown hair, wearing a yellow dress with white polka dots, is sitting on a white scooter. She has a tattoo on her left arm and is wearing a gold bracelet and a ring. The background is blurred, showing what appears to be a parking lot or a street with other scooters.
