Ciao, cutie pie...**BLISS** is back! Can you believe we are on date 6?!

As you may have guessed, we LOVE doing things differently around here. A little spontaneity, a little unpredictability, and a whole lot of guessing. None of this 'same old, same old' lark!

It is our pleasure to introduce a new page '**Bliss Is...**!' And, we haven't stopped there. Welcome to '**The Beauty Bubble**', a weekly dedicated to beauty treatments using natural ingredients...

Now to the girlies...

**Dear Coco** is on it again this week. Someone is in the dog house. Tune to page eight to find out why.

And...

**Lana** at LEMON, LOVE (page twelve) is loving the hottie spotting in Naples! Who can blame her with all those alpha males to contend with. Oh, and she has just received a whatsapp from Gianni! Now, who is he? Woowoo! Can't wait to find out!

OK, my little tiramisu! Off to joosh things up! Can you believe it will be date 7 next week! Wow!

# THE BEAUTY BUBBLE

---

One of the things I love doing on my solo travel trails is creating homemade beauty treatments that pack a punch. Natural ingredients have always proved to be the most effective. And satisfying! Best of all...what you save in money, you can always spend of experiences! ;)

*Bellissima!*

Method: (ingredients page 7)

Grind the fresh basil leaves with a pestle and mortar or a blender. And place the paste into a bowl with the honey and lemon. Mix well. Apply the mixture to a clean face and allow it to soak for about 20 minutes. Rinse well with warm water and then splash the face with cold water and dry. For best results, repeat 2-3 times weekly.

Dear Coco,

My wife has taken over the entire house! She has given me a small cupboard in the bedroom for my clothes even though we have a huge closet. She has even taken my beer supply and put it in the dog house. What can I do?

Jack, Hawaii

Aloha Jack!

Well, let me begin...trying to understand a woman and her closet is an impossible feat! In the same way that you stretch out on the sofa, beer in one hand and remote in the other when she goes out, and you let out that ahhhh, well, she does that too, and it goes by the name of closet! You see, she ogles those clothes much in the way you do that with Pammy in her Baywatch swimsuit. So, you have 3 choices...  
1. accept it and be grateful she actually gave you a cupboard, 2. move your clothes back into the closet but expect a boxing match and divorce or 3. move in with the dog!

## Episode Six

A beautiful, sunny day, Naples, Italy...

Having fully recovered from nonna-gate Anna, who is most likely spoon-feeding Italian God with her finest meat balls, Lana sighs. After whizzing around Naples like an incessant fly on a cheese sandwich, she heads to the hotel laden with shopping bags. Gianni, a guide from Positano, is on route and will be at Lana's beck and call, something Lana's boss promised in negotiations. All packed, she waits by the window and giggles as Vespas navigate meandering streets in a dance-like trance. Oh, traffic lights are to be ignored, she laughs. A call...Miss Lana, Gianni is in reception. Grazie mille. I come! WTF Lana, she laughs as she hangs up. I come? No me speaky English it seems! Gianni, a tall, well-dressed Italian is seated in the lobby. Hearing the dulcet tones of high heels, he lowers his sunglasses and gasps as he catches Lana in his seductive gaze. Sweet gnocchi-naples, Anna ain't getting her paws on you, she jests to herself! A charming and confident Gianni walks to Lana flashing strikingly gorgeous green eyes...eyes so hot, they could fry Anna's meatballs! I am here for to make you happy, he utters in broken English. You are doing an excellent job, giggles Lana with a smile the size of a parmesan wheel. Andiamo?!...
