Ciao, my little noodle...**BLISS** No.11 is here! Wow, can you believe we've been on 11 dates and had no arguments LOL?!

As you know now, we LOVE authenticity and doing things differently around here. A little spontaneity, yip, a little unpredictability, heck yeah, and a whole lot of QUIRKY,

Our resident superstars...

Dear Coco is on it this week! Catch up on all things Coco on page eight where she tackles the topic of dating. We love this one!

And...

LEMON, LOVE and the hilarious **Lana** can be found on page twelve. If you love Bridget Jones and Sam of Sex and the City, you will LOVE Lana! Love interest not so much the charming Mr Darcy, but a flirty, sexy green-eyed god by the name of Gianni! Will she ever want to go back to NYC? We think not! Can't wait to find out!

OK, my little pumpkin! Off to josh things up for our date next week! Woohoo!

Kissy kissy X

ABOUT BLISS MINI MAGAZINE

Welcome to **Issue 11** of **BLISS**, an 'amuse bouche' mini mag to savor as a delish, weekly pick-me-up.

About BLISS? We are not about diet fads, gym bunnies or that anti ageing lark. We leave that to the others ;) We are, however about fun, fun and fun. Enough said, my little noodle!

It is our commitment here at BLISS to provide the funniest, and most delightful content. And have a jolly good time in the process!

In this week's issue

Along with weekly appearances from **Dear Coco**, and **Lemon, Love**, and, because we LOVE to be different, this week is a tribute to GREEN ;). One of our favorite tones to feel peace, calm and bliss! ;)

Happy Autumn! X

THE BEAUTY BUBBLE

One of the things I love doing on my solo travel trails is creating homemade beauty treatments that pack a punch. Natural ingredients have always proved to be the most effective. And satisfying! Best of all...what you save in money, you can always spend of experiences! ;)

(For previous homemade products, check previous BLISS publications of BLISS here on the blog).

Bellissima!

Do you know you could buy just two lipsticks and mix them to find 100 shades! And it saves space in the luggage ;) . 3 brands that ooze quality in lipsticks can be found on page 7!

Ahhhhh, bliss! ;)

Dear Coco,

I've been dating for some time and I am beginning to think it is a waste of time. I get all dressed up and when I arrive, they look like a bunch of muppets. Why don't men make an effort anymore to make a woman feel special?
Francesca, NYC

Ciao, my little pancake!

Now, frank filly...one question...would you date you? If the answer is a big fat no, you got work to do, cutie. It is not a man's job to dress like a male model or change his muppet attire. It is a man's job (and yours) to have fun. Period.

Think of dating as appetizers on the way to the best dish you have ever tasted. Trying to get to dessert at lighting speed is No Bueno. Fun on the way to fun is the way to go! Now, my little noodle, one last point, karma is one MF Beaaatch. If you view men as muppets, you'll become walking velcro to muppets. Quit the narrative! And watch the magic...

(fuck, I need a lie down...)

A woman with long dark hair, wearing a white, sleeveless, knee-length dress, is walking barefoot on a wet beach. She is seen from the back, walking away from the camera towards the ocean. Her hair is blowing in the wind. The background shows waves breaking on the shore under a bright, golden sunset sky. The overall mood is peaceful and serene.

Episode Eleven

A hot afternoon...the pink house...

Well, he can go and stuff his chocolate brownies up his...up his...up his...damn, shouts Lana doing her best to refrain. A giggling Frankie is bent double on the sofa doing her best to catch her breath. I guess that's a no, babes? He had 12 months to ask me on a date! And now he wants me?! I've rinsed! Italian style! Am on the up, Frankie, jests Lana as an image of Gianni bouncing on the corner of her bed fills her head. Yip, up and up until I soar, in more ways than one! Oh, fffuck it, shouts Lana! What's up, asks Frankie. Oh nooooo! Am a fucking red lobster, that's what! Flipping sunblock! I missed the lines below my new bikini and now have a chest like a BBQ grill! Sweet donald duckling! A good catch up with Frankie passes and now Lana is wandering down a quaint street which snuggles the pink house. With plant pots smiling, bougainvillea saluting, and nonnas' panties waving from laundry lines, Lana giggles at the idea of spanx parading the Manhattan skyline. Oh, sweet nonna noodles, gasps Lana spotting cutie pie 'Cafe Puccini'. Wow, Italian Gods! And right beside my house! Can this day get any better, claps Lana like a baby seal. A whatsapp...Gianni...apero, 7pm, I come pick you up on Vespa! I want Lana sing! kisses ;)

A woman in a light pink, pleated dress and bright red high-heeled shoes is walking on a cobblestone street. The background is a blurred urban scene with buildings and a person in the distance.
