Ciao, my little coconut...**BLISS** No.12 is here! Wow, can you believe we've been on 12 dates and we are still going strong LOL?!

As you know now, we LOVE fun, authenticity and doing things differently around here. A little spontaneity, yip, a little unpredictability, heck yeah, and a whole lot of QUIRKY,

Our resident superstars...

Dear Coco is hilarious and this week has got to be one of the best yet. Catch up on page eight where she tackles 'zoom call' no no's. We love this one!

And...

LEMON, LOVE (set in Italy) and the adorable **Lana Leigh** can be found on page twelve. If you love Bridget Jones and Sam of Sex and the City, you will LOVE Lana! Love interest not so much the charming Mr Darcy, but a flirty, sexy green-eyed god by the name of Gianni! Will she ever want to go back to NYC? We think not! Can't wait to find out!

OK, my little pumpkin! Off to joosh things up for our date next week! Woohoo!

Kissy kissy X

Welcome to **Issue 12** of **BLISS**, an 'amuse bouche' mini mag to savor as a delish, weekly pick-me-up.

About BLISS? We are not about diet fads, gym bunnies or that anti ageing lark. We leave that to the others ;) We are, however about fun, fun and fun. Enough said, my little noodle!

It is our commitment here at BLISS to provide the funniest, and most delightful content. And have a jolly good time in the process!

Along with weekly appearances from **Dear Coco**, and **Lemon, Love**, and, because we LOVE to be different, this week is a tribute to GENTLEMEN ;). Yip and a special shout out to COWBOYS and old fashioned masculinity! ;) X

THE BEAUTY BUBBLE

One of the things I love doing on my solo travel trails is creating homemade beauty treatments that pack a punch. Natural ingredients have always proved to be the most effective. And satisfying! Best of all...what you save in money, you can always spend of experiences! ;)

(For previous homemade products, check previous BLISS publications of BLISS here on the blog).

Bellissima!

Do you know when you stop using moisturisers for a little while, the skin will naturally reset itself to reveal baby soft skin. And it saves space in the luggage too when you don't have all those lotions and potions to carry with you! ;)

Ahhhhh, bliss! ;)

dear coco

Dear Coco,

I had a very important Zoom call this week with the global sales team. It was a 6am meeting and I forgot to tell my husband, thinking he'd be sleeping. Halfway through the Zoom call, I spotted my husband slide across the kitchen in his Donald Duck underpants, gyrating with the rolling pin! I felt embarrassed realising he was oblivious to the Zoom call. I felt so nervous when he took a sausage out of the fridge for the dog, I put the mic on mute and shouted 'if you don't disappear out of this fucking kitchen, you'll find that rolling pin up Donald Duck's ass! To my horror, the mic was not on mute, and the Global Sales boss uttered "Isabelle, best you take a coffee break, you seem to have your hands full and so does your husband! Am dreading the office on Monday. Isa, Washington

Ciao, my little noodle!

Advice? Be nice to the rolling pin! You never know when you'll want to make pastry!

LEMON, LOVE

Episode Twelve

Early evening, the pink house...

With Cafe Puccini on pause, and an evening with Gianni imminent, Lana soaks up the jaw dropping views and coral skies. Well, Mr Lemon Tree, whatever is in store, I know it will be just right, quips Lana blowing a pouty kiss! A toot toot from the driveway...Gianni arrives dressed in a crisp white shirt, dark jeans and sunglasses. Having been in Naples on business for two days, he is excited to see Lana. Wow, he gasps as Lana steps out to reveal her beautiful, petite frame in the evening sunlight. Bellissima, he smiles flirtatiously as he leans against the vespa with arms folded. Dressed in a sexy green silk dress, and matching heels, Lana twirls! Oh, any excuse to dress up! OK, Lana, come, sit, I want legs around me, per favore, signals Gianni excitedly patting the seat of the vespa. Lana's legs around this Italian hottie is the least I can do, giggles Lana to herself! Taking Lana's hand, she slides into the back of Gianni as he pulls her in tightly against him. Andiamo! he jests placing Lana's hand tightly around his abs making Lana blush! Now, we fun, he shouts. Well, Lana-lu, looks like Italian Gods are on your side, she ponders! Even Nonna Anna won't be on the back of a vespa with a hottie in tow!!! But then again... *Lana X*
