"THE PUREST AND MOST THOUGHTFUL MINDS ARE  
THOSE WHICH LOVE COLOUR THE MOST"

JOHN RUSKIN

Ciao, my little pumpkin...**BLISS** is back!  
Can you believe we have been on 9 dates  
already?!

As you know now, we LOVE being  
authentic and doing things differently. A  
little spontaneity, yip, a little  
unpredictability, heck yeah, and a whole  
lot of QUIRKY, sign us up! None of this  
'same old, same old'! Not on our watch!

It is our pleasure to share the third week  
of '**Bliss Is...**' and '**The Beauty Bubble**'... ;)

Now to our resident superstars...

**Dear Coco** is up to her usual mischief this  
week...toys and boys. Don't ask LOL.  
Tune to page eight to find out.

And...

**Lana** at LEMON, LOVE (page twelve) is  
loving gorgy Positano. And it seems one  
tall, sexy local by the name of Gianni! We  
heard he gave his stamp of approval on  
bed quality! Will she ever want to go back  
to NYC? Can't wait to find out!

PS Don't you just love her house! Who  
wouldn't want that view?!

OK, my little cupcake! Off to joosh things  
up for our date next week! Woohoo!

# THE BEAUTY BUBBLE

---

One of the things I love doing on my solo travel trails is creating homemade beauty treatments that pack a punch. Natural ingredients have always proved to be the most effective. And satisfying! Best of all...what you save in money, you can always spend of experiences! ;)

*Bellissima!*

Method: (ingredients page 7)

Take a handful of rose petals and rinse any dirt off gently. Bring 2 cups of water to the boil in a small pot. Switch off and place the petals in the pot making sure the petals are soaking. Cover the rose petals for one hour and stir occasionally. Remove the lid and strain the liquid into the spray bottle. The rose water is ready for use. Ahhhhh, bliss in a bottle! ;)

Dear Coco,

My husband recently bought a toy train set! He has been spending every night drooling over the damn thing going around and around in circles! I even hear him giggle when he stops the train at the station and pretends to add fuel! I wish he'd never bought it! Any advice?  
Anastasia, New Jersey

Ciao, my little cupcake!

Right now, it is 'wifey v train set' and train set is going to win! Let me explain...if you think back to the days of Barbie, wasn't it fun? And even more so, when Ken came along! (but then again, maybe not!). Hubbie is meant to be doing what he pleases. Toy trains included! I've 3 options! 1. be happy, he is happy! 2. ask him if he wants to play "choo choo" and steam up the bedroom! 3. tell him two can play at that game and you are going to get your own 'boy toy'...a TOYBOY who goes 0-200 in the bedroom and doesn't need to stop for fuel!

Coco  
advice queen & jolly good egg!

## Episode Nine

Early afternoon, at the pink house...

Gianni, enamoured by Lana's mischievous laugh, invites her to the kitchen! Nonna time, he quips. A sudden thought nonna Anna is about to jump out from behind the lemon tree. Phew, sighs Lana! Food made by nonna Bu. Is gift! My nonna wants you happy too, laughs Gianni. And fat, jests Lana when she sees all the dishes. Wow! I wasn't expecting this, she laughs blown away by the kindness of nonna Bu who she hasn't even met. Nonna Bu live Ravello. One day, I take you. Oh, how sweet! How do I eat all this? You taste, you LOVE! Oh, I will. Does nonna Bu have an exercise bike too, laughs Lana?! I make you fit, teases Gianni as he watches Lana turn pink. Steps here, you have good body! Fat nobody, we LOVE to eat. Is normal in Italy. Suddenly, a whatsapp from Diego catches Lana off guard. Is boyfriend, asks Gianni curiously? Oh, he wishes! Miss Lana is single, just how I like it. I like too...very...smiles Gianni in his seductive gaze. Ten minutes pass and with Gianni having left to pick up a client, Lana heads to the patio to eat and is soon licking her lips in satisfaction! Sweet nonna Bu! Yummy yummy, love in my tummy. Well, Mr Lemon Tree, giggles Lana, one VERY happy Lana-lu! And him? Oh, now that's top secret... *Lana X*

A woman in a light pink, pleated dress and bright red high-heeled shoes is walking on a cobblestone street. The background is a blurred city street with buildings and a person in the distance.
