Unique!

dear coco

Dear Coco,

I want to become a domesticated goddess for my husband. He has a busy job and loves to come home to a nice meal. I do my best but just don't feel inspired. I can't even look at a lone tomato without feeling stuck!

Annabelle, Houston

Ciao, my little cinnamon bun,

Houston, we have a problem. He expects to come home to a nice meal??? WTF! You may want to clobber him over the head with a stale baguette and tell him he married a lady, not hotel room service! And if he sulks, tell him you can easily find places to stuff that lone tomato!!! I've one option, my little pumpkin. Find a domesticated god, (also known as an Italian). He may not share his nonna's secret recipes but he can sure inspire you to ohhh and ahhh around the kitchen to 50 ways tiramisu! ;)

LEMON, LOVE

Episode Sixteen

A gorgeous Saturday morning, the pink house...

A few days pass and a very happy Lana finds herself contemplating the fun of her business meetings which were organised by the NYC office. Aside from holding on tightly to Gianni's abs being taxied from one lunch meeting to the next, Lana's days were spent quizzing well-dressed businessmen on the dolce vita abundant in Italy. Gosh Italian Gods, how I love my 3-hour lunches, quips Lana, a persuasive factor in her agreement to spend summer in Italy in the first place. Back in NYC, Lana is the go to for lifestyle content and who has won many a prestigious award. With the travel content creator being pulled to a VIP project last minute, and Italy netting the company a huge fee, Lana was the obvious choice. More Tribeca than tiramisu, and more hot dogs than hot men, Lana can't quite believe her luck. Mr Lemon Tree, am I really supposed to be this happy, she sighs. A toot toot from the driveway. A pout of lip gloss, cute purse and dress tied to reveal a bronzed décolletage, Lana heads for a lunch date with Nonna Bu. Walking to the car, Lana gasps in awe as an immaculately dressed, bambi eyed Gianni smiles deeply, and opens the door of his Ferrari. Sweet Boston bagels, how can life get any better than this?! *Lana X*

A woman in a light pink, pleated dress and bright red high-heeled shoes is walking on a cobblestone street. The background is a blurred city street with buildings and a person in the distance.

She lays in the sun, living life free,
She ponders the moment, a time to just be,
She soaks up the now, and what it all is,
Ah comes the lightbulb, it was always the BLISS...
