dear coco

Dear Coco,

My husband left a last minute voice message in the week telling me I had to come with him to a dinner in fancy dress. He was in meetings all day so I couldn't ask his opinion on my costume. I walked into the hotel as Donald Duck only to be met by strange looks. I soon realised the voice message was to wear A FANCY DRESS. To my embarrassment, as I got into the elevator to run home and change, my husband walked in with his VIP clients. He blushed, turned his back and pretended he didn't know me. Am so mad! I've not spoken to him since. What is the best way to address it?
Wendy, Boston

Ciao, my little Wendywoo!

3 options:

1. a bottle of tequila
2. two bottles of tequila
3. two laxatives in his Coco Pops when you know he is on his way to his next VIP client meeting! (gosh, I'm good!)

LEMON, LOVE

Episode Seventeen

On route to Nonna Bu's...

With Gianni's stick shifting aptitude not lost on Lana, she turns to hide a deep pinky blush and refrains from flirty commentary. Approaching Ravello, Lana sits up excitedly! Lemon groves dance in the warm sunshine and turquoise coves wink 'come find me'. I love Lana happy, teases Gianni. I love too, giggles Lana. A few minutes pass and Gianni parks in front of Nonna Bu's. A pretty terracota stone house perches proudly above a cosy vegetable patch and boasting million dollar views. Quicker than Lana can say basta pasta, out pops the cutest nonna Lana has ever seen. A loving Gianni lifts Nonna Bu up which sets her off in a playful smack with a bunch of freshly picked rosemary! Nonna rules, laughs Gianni as a firm kiss is planted on Lana's cheeks before wiping her floury hands on her Wonder Woman apron, Come, Lana, come! Walking out to a cosy sea view terrace, Lana is welcomed by a charming entourage of Nonna Bu's friends. 3 hours pass and now stuffed to the brim, Lana playfully pushes Gianni's hand away in his attempt to spoonfeed Nonna Bu's lemon cake. During dish after dish, glass after glass, Lana discovers Nonnu Bu was an air hostess back in the day. And dolce vita, Nonna Bu, asks Lana? LOVE and LEMONS! *Lana X*

A woman in a light pink, pleated dress and bright red high-heeled shoes is walking on a cobblestone street. The background is a blurred city street with buildings and a person in the distance. The word "PLAYLIST" is overlaid in large, red, serif capital letters across the middle of the image.

Pack up your suitcase, baby, jump on the trail,
Be your heart alive in bliss, the wind will catch your sail,
Leave heavy loads behind, be you and wander bright,
Look ahead, stay the course, heaven will find your light...
