Dear Coco,

I've been married twenty years and still don't understand my husband. Could you explain the difference between men and women and why we ladies don't understand them?

Tatiana, Malibu

Ciao, my little noodle!

Well, would take a lifetime to explain! It is a little like this...

Woman: can you switch off that TV, you've been watching it all day!

Man to wife: yes dear if that's what you want!

Man in his head: why the f'k don't you go do some shopping to amuse yourself and let me have PEACE!

Woman: what do you think of my new dress?

Man to wife: nice.

Man in his head: who cares!!!

Woman: now, don't forget date night tonight!

Man to wife: yes, dear, I won't.

Man in his head: WTF, another night I've got to dress up and wishing I was out with the boys!

A close-up photograph of a woman lying on her back on a white bedsheet. She is wearing white lace-trimmed underwear. Her legs are raised and bent at the knees. She has a joyful expression, with her mouth open in a smile, showing her teeth. Her dark hair is spread out on the bed. The lighting is soft and warm, creating a sensual atmosphere.

LEMON, LOVE

Episode Twenty Two

11am, Saturday morning, the pink house...

A glorious day and Lana, dressed in a silk robe, sips coffee while ogling the views. Mornin' lemonchop, quips Lana squeezing a lemon hanging from Mr Lemon Tree. Oh, his voice, velvety as Puccini gelato Frankie, teases Lana as she fills her NYC bestie in on their weekly catch up. In love? No, silly sausaage! You are! OMG, how exciting! No, Frankie, proclaims Lana. And just like that, butterflies on vespas fly through her veins one by one by one. Well scusi, Italian Gods, WTF now, sighs Lana! A few hours pass and Lana, in futile deflection, opts for gelato therapy. While testing new flavors at Cafe Puccini, Lana spots 'wifey hunting' Nonno nod to the ladies and note on a card. What is he up to, inquires Lana playfully as Nonno's grandson fills a box of white chocolate. Oh, he scores the ladies, you know out of 10! Oh, does he now, ponders Lana wondering what this sweet nonno gave her and if she won his approval, albeit wifey is not on her agenda. Is good for his mind, says the boy, keeps him sharp! I bet, smiles Lana. Blowing Nonno a kiss as she leaves, Lana strolls home smiling at all the nonnos along on the way. Opening the gelato eager to taste, a little note...'11/10! Good taste, my nonno!!! X'...Damn right, he has, laughs Lana appreciatively...
