Unique!

dear coco

Dear Coco,

I don't understand my wife these days! She has been coming home with boxes and boxes of new shoes and matching handbags. When I come home from a busy day at the office, she is in the closet talking to the damn shoes.

When I ask her if she made dinner, her reply is "I'll be out in a minute, darling". As I sit in the kitchen waiting patiently (with a capital P), I hear her sing to the shoes "I love you my babies"! When I shout up when is dinner going to be ready, I'm hungryyy, she shouts back "I'll be out in a minute, darling!". We used to have fun! A man has got to eat!

Donald, Malibu

Ciao, Donald!

Being a frank filly, I'll get straight to the point. If life was fun outside the closet, she wouldn't be in there, my little lambchop!!! I'll let you in on a secret...a woman wants to feel like a princess, (with a capital P), not a personal chef! This is how you understand all women!

LEMON, LOVE

Episode Twenty Three

7am, Sunday morning, the pink house...

Opening the window of her bedroom, Lana breathes in the fresh lemon-scented air and sighs! Oh, Italy, how, I've fallen for you, she smiles as thoughts of Gianni bouncing on the corner of her bed race around her head like an old Ferrari flying along the Tuscan hills! Smoothing her hand across the sheet...what next, Italian Gods, she quips excitedly. Eager to catch a few lazy hours at a quiet beach ahead of lunch with Valentina, Lana grabs a shower and pops on a new bikini. Listening to Italian vintage, a sudden thought. Oh, why not, claps Lana as the idea of an intensive Italian class in Ravello pops into her head having seen it on the way to Nonna Bu's. Picking up her phone to book the class, Lana spots a delightful little box of lemon soap and handmade card resting on the neighboring wall! 'Gift from lemon grove, come by Tuesday, Augustin!'. An hour passes at the beach and Lana is still blown away by the kindness of Augustin. Sipping a chilled glass of rose with Valentina, and wow'ing at the most delicious fish she has ever tasted, she pauses suddenly, lowering her sunglasses at the eye candy that has just walked onto the beach. Are you kiddin', laughs Valentina. Why the f'k do you think I live here, darlin?! And it ain't for the tiramisu!!! *Lana X*
